The Army Benevolent Fund

G BLOCK, DUKE OF YORK'S HEADQUARTERS, CHELSEA, LONDON, S.W.3.

(Registered under the War Charities Act, 1940).

PATRON :

HER MAJESTY THE QUEEN

President :

Field-Marshal Sir RICHARD HULL, G.C.B., D.S.O., M.A., LL.D.

The object of the Fund is to assist to the fullest extent possible in the provision of financial support to Corps, Regimental and other Charitable Organisations which directly or indirectly benefit Service and ex-Service men and women and their dependants. Since its inception in September 1944 the Fund has made grants to these organisations amounting to over £4,500,000 and the calls on the Fund are heavier than ever.

Donations, which cannot be too large or too small, may be paid into any bank in Great Britain or Northern Ireland for credit of the Fund, or sent to the above address.

The Star & Garter Home for Disabled Sailors, Soldiers & Airmen, Richmond, Surrey

Patron: HER MAJESTY THE QUEEN

Chairman of Governors: Marshal of the Royal Air Force Sir John Slessor, G.C.B., D.S.O., M.C.

The Home stands on the site on Richmond Hill of the old Star and Garter Hotel, famous for 200 years, which early in the First World War, with the generous help of the Chartered Auctioneers' and Estate Agents' Institute, was converted for the care of men seriously wounded.

When the War ended a new Home was built, the funds for this being largely subscribed by the women of Britain and the Commonwealth, whose special War Memorial it is. The new building was opened by King George V and Queen Mary in 1924.

The Home provides happy and permanent accommodation for disabled ex-Servicemen and gives them the best possible medical treatment. It accommodates 200 patients with over 100 men on the waiting list. A few of the patients are veterans of the Boer War, two-thirds served in World War I and the remainder served subsequently, a large number in World War II.

It is an independent charity and not part of the National Health Service. Rising costs over the years have steadily widened the gap between expenditure and reliable income. An average of nearly £30,000 is required each year to bridge this gap.

Financial help is needed to enable the Home to continue as its founders would have wished. Donations would be gratefully received by The Commandant at The Star and Garter Home, Richmond, Surrey. Telephone: 01-940 3314.

THE OFFICERS' ASSOCIATION

The primary object of the Officers' Association is to relieve distress among all those who have at any time held a Commission in Her Majesty's Naval, Military or Air Forces (including the Women's Services and Nursing Services) and among their widows and dependants.

Although a separate organisation with its own Royal Charter, Council and Committees, the Association also bears the title of "The Officers' Benevolent Department of the British Legion".

The Relief Branch deals with all cases requiring financial help or assistance in education and training of children. The Homes Branch assists in particular the elderly ex-officers and widows who can no longer look after themselves and require accommodation in a Home for the elderly or a Nursing Home. The Association maintains "Huntly", its own Home for elderly male ex-Officers at Bishopsteignton, South Devon, and also a small bungalow estate at Leavesden, near Watford, for disabled ex-Officers and their families.

It has a Claims and Pensions Branch which helps ex-officers or their widows with Disability Pension and other Claims and a Resettlement and Employment Department, which assists ex-officers to resettle in civilian life and to find employment.

It also runs a men's clothing store at its London Headquarters which issues clothing to ex-officers in necessitous circumstances and where gifts of suitable clothing are always welcome.

The Officers' Association is largely supported by a share of the Poppy Day collection and of other donations to the British Legion and also by the King George's Fund for Sailors, the Army Benevolent Fund and the R.A.F. Benevolent Fund.

It works in close co-operation with the British Legion, the three Services Benevolent Funds and with Corps and Regimental Associations and all Ex-Service Organisations. It has special working arrangements with the Officers' Families Fund, the Housing Association for Officers' Families and the Ex-Service War Disabled Help Department of the Joint Committee of the Order of St. John and the British Red Cross Society.

It has Honorary Representatives throughout the United Kingdom, in Commonwealth countries, and in many foreign countries where there are sizeable British communities, and these Representatives investigate cases and recommend appropriate action to the Association's Headquarters.

The Association's Headquarters is at 28, Belgrave Square, London. S.W.1., (Tel: Belgravia 8112—S.T.D. 01–235) and it has a Branch in Scotland with offices at 23, Drumsheugh Gardens, Edinburgh 3. (Tel: Caledonian 6684—S.T.D. 031—CAL—6684) and at 1, Fitzroy Place, Glasgow C.3. (Tel: Central 8141—S.T.D. 041—CEN–8141). The Scottish Branch runs a Nursing Home for male ex-officers in Edinburgh. Ex-Officers seeking employment in Scotland should apply to the Glasgow Office.

The Association also has Branches in Northern Ireland at The War Memorial Building, 5 Waring Street, Belfast 1. (Tel: Belfast 24025—S.T.D. 0232–24025) and in Eire at 2, Martello Terrace Sandycove, Co. Dublin. (Tel: Dublin 801673).

Cases of ex-officers or their dependants, in need of help in any form, which come to the notice of British Legion Branches or anyone else, should be referred either to the nearest Honorary Representative or direct to the Association's Headquarters in London or to the appropriate Branch in Scotland or Ireland, to whom all other applications and enquiries should be made.

KING EDWARD VII'S HOSPITAL FOR OFFICERS

SISTER AGNES—FOUNDER

Incorporated by Royal Charter

BEAUMONT HOUSE, BEAUMONT STREET LONDON, W.1.

This Hospital, founded by Sister Agnes (Miss Agnes Keyser) in 1899 in her own house, 17 Grosvenor Crescent, was destroyed by enemy action in January, 1941, and the present building, Beaumont House, Bucamont Street, London, W.1., was opened in October, 1948, by Her Majesty Queen Mary.

All officers of the three services, serving and retired, who have held regular or temporary commissions are eligible for admission, whether or not they subscribe. Sister Agnes's is run for their benefit and all subscriptions, donations and covenants enable this object to be attained. The Hospital has both private rooms and small wards.

The Council has as its object the provision of the best medical and surgical facilities at the lowest possible cost. Serving officers are entitled to free nursing and maintenance in the shared rooms. Otherwise, patients are asked to pay 15 guineas for a private room and 10 guineas for a shared room or ward bed, but the ability of the patient to pay is always considered and there is a generously administered Samaritan Fund for those in straitened circumstances.

The Hospital is for surgical and medical cases, and has its own Resident Medical Officer, X-ray and Physiotherapy Departments.

The Hospital has its own Consultant Staff, whose fees are in accordance with the patients' means, on a scale approved by the Council. It is necessary for patients to be placed by their general practitioners (who may still continue to attend them) in the care of a member of the Hospitals' Consultant Staff, a list of whom will be sent to the patient's doctor on application.

The Hospital is outside the National Health Service and is therefore dependant entirely on voluntary aid. Contributors are asked to pay £2 or more, by Banker's Order, which can be obtained from the Appeals Secretary, Admiral Sir Alan Scott-Moncrieff, K.C.B., 6 Buckingham Place, London, S.W.1, who will also be pleased to receive all donations.

Medical Services in War

The medical lessons of war have lasting value, and the ways in which the Medical Services, both military and civilian, coped with the problems presented by the Second World War are of interest to all those engaged in the practice of medicine and of particular value to those concerned with the medical services of their country. In this volume, the twentieth and penultimate in the United Kingdom series devoted to the medical history of the war, the official historians of Canada, Australia, New Zealand, India and the United Kingdom have collaborated in producing a guide to the war-time Commonwealth Medical Services as a whole. The several Commonwealth Governments have already published independently volumes dealing with their respective rôles. Here for the first time the lessons they learned are brought together in concise form—the distillation of a rich and world-wide experience of what could be done to reduce human wastage, by preventing or minimising disease and restoring the sick and wounded. All the resources of medicine and science were harnessed to these ends, resulting in a rapid growth of knowledge, application of new techniques and intensity of collaboration over a wide field

THE VICTORIA CROSS

ELIZABETH R.

ELIZABETH THE SECOND, by the Grace of God, of the United Kingdom of Great Britain and Northern Ireland, and of Her other Realms and Territories Queen, Head of the Commonwealth, Defender of the Faith: to all to whom these Presents shall come, Greeting!

WHEREAS His late Majesty King George V, by a Warrant under His Royal Sign Manual dated the 5th day of February 1931, was pleased to make, ordain and establish rules and ordinances for the governance of the Decoration of The Victoria Cross, reserving to Himself, His Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with those rules and ordinances or any part thereof, by a notification under Royal Sign Manual;

AND WHEREAS the provisions of the said Warrant were amended by Warrants under the Royal Sign Manual of His late Majesty King George VI, dated the 9th day of May 1938, the 21st day of August 1939, the 25th day of January 1941 and the 31st day of December 1942;

AND WHEREAS WE deem it expedient that the provisions of the said Warrant be further amended and augmented;

NOW, THEREFORE, WE do hereby declare that the rules and ordinances contained in the said Warrant heretofore in force for the governance of the said Decoration, shall be abrogated, cancelled and annulled; and in substitution thereof We by these Presents, for Us, Our Heirs and Successors, are graciously pleased to make, ordain and establish the following rules and ordinances for the governance of the same which shall from henceforth be inviolably observed and kept:—

Firstly: It is ordained that the distinction shall as heretofore be styled and designated "The Victoria Cross", and shall consist of a Maltese Cross of bronze with Our Royal Crest in the centre and underneath it a scroll bearing this inscription: "For Valour".

Secondly: It is ordained that the Cross shall be worn on the left breast pendant from a red riband of one inch and a half in width, and on those occasions when only a riband is worn a replica of the Cross in miniature shall be affixed to the centre of the riband.

Thirdly: It is ordained that the Cross shall only be awarded for most conspicuous bravery, or some daring or pre-eminent act of valour or self-sacrifice or extreme devotion to duty in the presence of the enemy.

Fourthly: It is ordained that the Cross may be awarded posthumously.

Fifthly: It is ordained that the names of all those persons upon or on account of whom We may be pleased to confer or present the Decoration shall be published in the *London Gazette*, and a Register thereof kept in the Office of Our Principal Secretary of State for War.

Sixthly: It is ordained that the persons eligible for the Decoration of the Cross shall be:—

(1) Persons of any rank in the Naval, Military and Air Forces of Our United Kingdom of Great Britain and Northern Ireland, of Member Countries of the Commonwealth overseas, the Governments whereof have signified their desire that awards of the Cross shall be made under the provisions of this Our Warrant, of Our Colonies or Our other Territories or of the Territories under Our Protection or Administration, (including members of the Home Guard and any lawfully constituted Force corresponding thereto), and including also members of the Naval, Military and Air Force Nursing Services and of the Women's Auxiliary Services;

(2) Members of Our Merchant Navy;

(3) Our faithful subjects and persons under Our protection in civil life, male and female, serving regularly or temporarily under the orders, directions or supervision of any of the above-mentioned Forces or Services.

Seventhly: It is ordained that if any recipient of the Cross shall again perform such an act of bravery as would have made him or her eligible to receive the Cross, such further act of bravery shall be recorded by a Bar to be attached to the riband by which the Cross is suspended, and for every such additional act of bravery, an additional Bar shall be added, and any such Bar or Bars may be awarded posthumously. For every Bar awarded a replica of the Cross in miniature shall be added to the riband when worn alone.

Eighthly: It is ordained that every recommendation for the award of the Decoration of the Cross shall be made and reported through the usual channel to the Senior Naval, Military or Air Force Officer Commanding the Force, who shall call for such description, conclusive proof as far as the circumstances of the case will allow, and attestation of the act as he may think requisite, and if he approve he shall recommend the grant of the Decoration to Our Lords Commissioners of the Admiralty, Our Secretary of State for War or Our Secretary of State for Air as the case may be, or, in the case of any Member Country of the Commonwealth Overseas, the Government whereof shall so desire, the appropriate Minister of State for the said Member Country, who shall submit to US the names of every one so recommended whom they shall consider worthy.

Ninthly: It is ordained that in the event of any unit of the Naval, Military or Air Forces mentioned in the Sixth Clause of this Our Warrant, consisting in the case of a unit of Naval Forces of a squadron, flotilla or ship's company, or of a detached body of seamen or marines; or in the case of a unit of Military Forces of a regiment, squadron, battery or company, or a detached body of soldiers; or in the case of a unit of Air Forces of a squadron or other body of airmen, having distinguished itself collectively by the performance of an act of heroic gallantry or daring in the presence of the enemy in such a way that the Flag, General, Air or other Officer in Command of the Force, to which such a unit belongs, is unable to single out any individual as specially pre-eminent in gallantry or daring, then one or more of the personnel comprising the unit shall be selected to be recommended to Us for the award of the Victoria Cross in the following manner:—

(*a*) When the total personnel of the unit does not exceed 100, then one officer shall be selected for the Decoration by the officers engaged; and in like manner one warrant officer or petty officer or non-commissioned officer or leading rating of the unit shall be selected by the warrant officers, petty officers or non-commissioned officers or leading ratings engaged, and one seaman, marine, private soldier or

aircraftman shall be selected by the seamen, marines, private soldiers or aircraftmen engaged;

(*b*) When the total personnel of the unit exceeds 100 but does not exceed 200 then the number of seamen, marines, private soldiers or aircraftmen to be selected in the manner described in (*a*) shall be increased to two;

(*c*) When the total personnel of the unit exceeds 200 in number, the number of Crosses to be awarded in accordance with these provisions shall be the subject of special consideration by Our Lords Commissioners of the Admiralty or by one of Our Principal Secretaries of State or, in the case of any Member Country of the Commonwealth overseas, the appropriate Minister of State for the said Member Country, for submission to Us;

(*d*) The selection to be by a secret ballot in such a manner as shall be determined in accordance with the foregoing provisions by the Officer directing the selection to be made;

(*e*) The death of any person engaged shall not be a bar to his selection;

(*f*) Reference in this Clause to male members of any Forces shall be deemed to include the equivalent ranks of the Women's Auxiliary Services of such Forces;

(*g*) The names of the persons recommended in accordance with these provisions shall be submitted to Us in the manner laid down in the Eighth Clause of this Our Warrant.

Tenthly: It is ordained that every recipient of the Cross, not coming within the provisions of the Eleventh Clause of this Our Warrant, to whom the Cross may be awarded after the 31st day of July 1959 shall from the date of the act by which the Decoration has been gained, be entitled to a special pension of one hundred pounds a year.

Eleventhly: It is ordained that, subject to such exceptions as We, Our Heirs and Successors may ordain, a member of the Forces of a Member Country of the Commonwealth Overseas to whom the Cross or bar may be awarded after the 31st day of July 1959, shall receive such special pension or pensions as may be provided from the revenues of that Country, under regulations made by the said Country.

Twelfthly: It is ordained that, as from the first day of August 1959, every recipient of the Decoration:—

(*a*) who was then receiving from moneys provided by Our Parliament of the United Kingdom of Great Britain and Northern Ireland a special pension awarded under the rules and ordinances relating to the Decoration in force from time to time,

or

(*b*) who would then have been so receiving such a special pension if he had not been or ranked as a Commissioned Officer or in the case of Our Navy and Marines he had not been so ranked with a Warrant Officer,

or

(*c*) in respect of whom such a special pension would have been currently in issue on the 31st day of March 1955, if he had not been or ranked as a Commissioned Officer as would, if it has been so in issue, have fallen within any of the descriptions of pensions in the annexure contained in the First Schedule to The Pensions (India, Pakistan and Burma) Act, 1955.

shall receive a special pension of one hundred pounds a year, which in cases coming within category (*a*) above shall be in substitution for any special pension in respect of the Decoration which was previously in issue to him.

Thirteenthly: It is ordained that where a recipient of the Decoration coming within the provision of the Twelfth Clause of this Our Warrant was a Gurkha Commissioned Officer or a soldier of Our Brigade of Gurkhas, his widow shall receive, with effect from the date of his death and until her re-marriage or death a special pension equal to the special pension which was in payment to him immediately before the first day of August, 1959.

Fourteenthly: It is ordained that reproductions of the Cross known as a Miniature Cross which may be worn in certain occasions by those to whom the Decoration is awarded shall be half the size of The Victoria Cross and that a Sealed Pattern of the said Miniature Cross shall be deposited and kept in the Central Chancery of Our Orders of Knighthood.

Fifteenthly: It is ordained that it shall be competent for Us, Our Heirs and Successors, by an Order under Our Sign Manual and on the recommendation to that effect by or through Our First Lord of the Admiralty or one of Our Principal Secretaries of State or, in the case of any Member Country of the Commonwealth Overseas, the Government whereof shall so desire, the appropriate Minister of State for the said Member Country, to cancel and annul the award of The Victoria Cross to any person, together with any pension appertaining thereto already paid, and that thereupon his or her name in the Register shall be erased; but that it shall be competent for Us, Our Heirs and Successors, to restore the Decoration when such recommendation has been withdrawn and with it such pension as may have been forfeited.

Sixteenthly: It is ordained that notice of cancellation or restoration in every case shall be published in the *London Gazette;*

Lastly: We reserve to Ourself, Our Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting or dispensing with the regulations, or any part thereof, by a notification under Our Sign Manual.

Given at Our Court of St. James's, this 30th day of September, in the 10th year of Our Reign and in the year of Our Lord One thousand nine hundred and sixty-one.

By Her Majesty's Command,

JOHN PROFUMO
